

Wetland Seminar

Supplement to the Corps of Engineers Wetland Delineation Manual: Midwest Region and Compensatory Mitigation for Losses of Aquatic Resources: Final Rule

Presented by the US Army Corps of Engineers, Rock Island District

DESCRIPTION: This seminar is designed for wetland delineators already trained in the 1987 Manual who want to learn how to apply the newly required Midwest Supplemental within the Rock Island District. Attendees will also be provided with information regarding the new "Mitigation Rule" and how it is applied by the Rock Island District.

The Iowa Valley RC&D will host this seminar on **February 3, 2009**, at the Oakdale Auditorium on the University of Iowa's Oakdale Campus, **Coralville**.
